Two institutions Karjada Mahalinga Dev and Konthyalmata Gopalakrishna Dev of Hosur village in the Udipi taluk of this district had an annual tasdik allowance of Rs.30 and Rs.4-12-10 respectively. These allowances have not been paid

paid and have gone into deposit from fasli 1334, owing to the death of the last trustee as they remained unclaimed for 6 years, the institutions were struck off in my order D.Dis. 9897-32/2-11-32.

2. One Subbanna Bhatta has been appointed trustee by the Hindu Religious Endowments Board in June 1934 and he now applies forthe payment of the arrears of Tasdik due to the two institutions. The explanation of his delay in not obtaining a sanad and not applying for the Tasdik earlier, the petitioner states that he had made various attempts between 1924 and 1927 but that he got the sanad only in June 1934. He has nothing to prove this statement, however and I am not satisfied with this explanation for the delay. In view, however of fact that the institutions have been in repairs and the services conducted regularly during all the period the tasdik was in deposit, I recommend that 3 years' arrears of tasdik may be paid and the institutions readmitted. It is reported that petitioner has been managing the institutions since 1924.
